Lufthansa Cargo senkt Airfreight Surcharge auf 0,85 Euro/kg

Sehr geehrte Damen und Herren,

die Summe der in unserer Airfreight Surcharge enthaltenen Kostenkomponenten zeigt in den letzten Wochen einen Abwärtstrend.

Aus diesem Grund senkt Lufthansa Cargo zum 19. August 2024 die Airfreight Surcharge von 0,90 Euro auf 0,85 Euro pro Kilogramm des Chargeable Weights. Bitte beachten Sie, dass das Datum der Latest Acceptance Time (LAT) des AWB, und nicht der Abflugtag die Höhe der Airfreight Surcharge bestimmt.

Für Rückfragen stehen wir Ihnen selbstverständlich jederzeit gerne zur Verfügung. Wir freuen uns auf die weiterhin gute und vertrauensvolle Zusammenarbeit mit Ihnen.

Mit freundlichen Grüßen
Ihre Lufthansa Cargo Team

Lufthansa Cargo reduces Airfreight Surcharge to 0.85 Euro/kg

Dear Sir or Madam,

the sum of cost components included in our Airfreight Surcharge has increased in the past weeks.

Consequently, Lufthansa Cargo is reducing its Airfreight Surcharge, effective August 19th, 2024, from 0.90 Euros to 0.85 Euros per kg chargeable freight weight ex Germany.

Please note that the AWB LATdate, not the flight date, determines the applicable Airfreight Surcharge.

Please do not hesitate to contact us for further information. We look forward to continuing our good working relationship with you.

Best regards
Your Lufthansa Cargo Team
